

SCS Global Services does hereby certify that the following fishery meets the Marine Stewardship Council's environmental standard for a well-managed and sustainable fishery:

Tuna Conservation Group (TUNACONS)

Gear: Purse-seine gear types using Free school and FAD sets

Stock: Eastern Pacific Ocean yellowfin & skipjack tuna stocks

Operators: Vessels identified by TUNACONS members, including Eurofish, NIRSA, Servigrup, Tri Marine, Grupo JADRAN, and PESDEL.

Certified products may enter a Chain of Custody from: For the vessels in the Tunacons Unit of Certification that only fish on FAD and free school sets, the Chain of Custody (CoC) starts at the point of landing. For the select vessels in the Tunacons UoA that also have authorization from IATTC to set on dolphins-associated schools, CoC will be required to start at the point of capture.

IPI catches may enter further chains of custody from: NA

Parties entitled to use the certificate to enter product into certified Chain of Custody include: See Vessel List

This independent certification assessment was conducted on behalf of:

Tuna Conservation Group (TUNACONS)

Avenida Francisco de Orellana, Edificio Nobis Piso 7 Oficina 707,
Guayaquil, Guayas, Ecuador
